Also, if you have Google Earth on your computer, the attached files can be used. One shows the parcel the project is on, and while the other shows the coordinates of the site itself. In order to save time, you can email me comments as a Word or PDF attachment.

Could you please email me tomorrow morning to discuss which of the various documents associated with the Application shows this? I see that I only have until tomorrow at 5 pm to submit a written comment, so time is of the essence. We have a home in Tumble Creek and are concerned about the possible environmental impacts of the project.
