SPECIAL MEETING

PROJECT UPDATES

PUBLIC WORKS

At 11:00 a.m. Chairman O'Brien opened a Special Meeting to receive updates from Mark Cook, Public Works Director/Interim County Engineer.

Mr. Cook reviewed positions as referenced in his notes which were provided to the Board of County Commissioners. The Board gave direction to Mr. Cook to bring back job descriptions with a new wage scale on the April 26, 2016 Study Session for their review.

Mr. Cook reviewed various road projects their department has been working on. He also reviewed some significant flooding which has occurred at the airport. A few other projects he updated the Board on were discussions with Ellensburg Parks & Recreation to extend the John Wayne Trail; No. 6 Road project; Stampede Pass overcrossing repair project; Via Kachess Lodge Creek Culvert replacement; SERF Board Yakima River Corridor Plan project closeout; and the Manastash Bridge project.

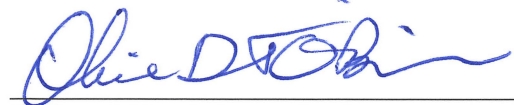

The meeting was adjourned at 11:50 a.m.
