REGULAR MEETING

COMMISSIONERS

Meeting called to order at 2:00pm

Solid Waste Updates: Patti informed the Board that the Ellensburg Scale house attendant was leaving and that we would have a new employee the first of August.

Patti let the Board know that Solid Waste had received a PDR related to the Wind farm at the Ryegrass facility and that we were working with Doug Mitchell in the Prosecutors office.

Maintenance Update: Terry and Don will be working on the new lock installation in the Courthouse and the Commissioner's office locks would be changed this week.

Discussion was held on Crack sealing of county owned parking lots.

Project Updates: ALSC Architect is working on the Rodeo arena seating project drawings. Cost for the project is higher than original hoped and need to look at cutting items to get project cost down.

KVEC Updates: Mickey discussed the house at 1100 University way. The Abatement and removal will take place August 8th and 9th. The second house could wait & contact fire department for controlled burn.

Mickey informed the Board that the Arena dirt project was completed and the user groups seemed to be happy with the project.

APPROVED
