Vice-Chairman Osiadacz opened a Special Meeting to consider the sale of a Main Hangar at the Bowers Field Airport.

Mark Cook, Public Works Director, provided information to the Board on a request they received from a person who is interested in purchasing the main hangar at the Bowers Field Airport. He said he had approached the Airport Advisory Board about the request and they were all unanimously opposed to it. He reviewed the costs of maintaining the hangar properly; annual revenue that's generated through leases; and the process which would need to be adhered to if the Board decided to go in the direction of selling the hangar. It was noted the sale would only be for the hangar and not land.

Vice-Chairman Osiadacz said she was cautious about moving forward too quickly and would like the chance to hold a joint meeting with the Airport Advisory Board to hear their concerns of why they are opposed to selling the hangar. Commissioner O'Brien agreed with having a joint meeting to hear the reasoning behind opposing the request. Mr. Cook was directed to schedule a joint meeting between the Board of County Commissioners and the Airport Advisory Board.

Meeting adjourned at 2:05 p.m.
