**COMMISSIONERS**

Jessika Roe, STOP & CPC Coordinator requested the Board consider allowing the Kittitas County Community Network to use the Manastash Room at the Event Center on June 21, 2018. She stated that the event is for 5<sup>th</sup>, 6<sup>th</sup>, & 7<sup>th</sup> graders and it's for a "resiliency program" that the KCCN puts on.

There was discussion on the benefits to the kids (they are nominated by their teachers) and the rooms that could accommodate the amount of adults and kids that attend the one day event. There was discussion on whether or not the old Fair office could accommodate the needs of the groups since there is a great deal of time spent outside doing activities.

The Board indicated they were in support of the event, and directed Ms. Scheffer to look at the calendar and see what options there were for the event to be held.

Meeting adjourned at 9:50 a.m.
