CDS

At 2:30 p.m. Chairman Osiadacz opened a Special Meeting to consider cancelling the Critical Areas Ordinance Public Hearing scheduled for December 6, 2018.

Dan Carlson, CDS Director said that based on input received the Planning Commission recommended remanding the Critical Areas Ordinance back to Staff. He said there is more work to be done prior to it coming before the Board of County Commissioners, and noted they need to affirm remanding it back to Staff. It was recommended to cancel the Public Hearing that had been scheduled for Monday December 10, 2018 at 6:00 p.m.

Elisabeth Torrey, Department of Fish & Wildlife said what was being proposed within the Critical Areas Ordinance was better than what was currently in place and felt the Public Hearing should move forward. She said they can offer technical assistance if needed.

Chairman Osiadacz said by remanding it back to Staff was not to stop the process, but just to allow for a more thorough review. Mr. Carlson noted the document needed to be completed by June 30, 2019.

Commissioner O'Brien moved to cancel the Public Hearing scheduled for December 10, 2018 at 6:00 p.m. for the Critical Areas Ordinance and to remand it back to Staff for further review. Commissioner Wright seconded. Motion carried 3-0. It was noted that CDS would prepare a Press Release and the Commissioner's Facebook page would be updated to notify the public.
