about for allocating the funding, noting that he would like to see the Christian school included in the allocation.

Commissioner Wright expressed his frustration for the Governor's Proclamation 20-28 and trying to understand what they can and can't do relating to the open public meetings act. Commissioner Osiadacz stated she to has those frustrations and has already reached out to the Prosecutor's Office to elaborate and clear up the confusion as well as to get some language on the website that explains why they are managing the in person meetings the way they are due to the restrictions of 10 people or less and that includes County staff, noting that they would have to ask people to leave when they met the max allowed in the room.
