2021 RECREATION AND TOURISM PLAN PUBLIC COMMENTS

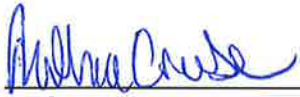

Mark Cook gave background on the Recreation and Tourism Plan and stated that in March 2021 Public Works finalized the elements of the plan and published the plan for public comment from April 6, 2021 to May 7, 2021. Mark Cook continued that staff member, Nicole Ogan, compiled the comments for discussion. Mark Cook added that in reviewing the comments most of them will be easy to manage and if the Board decides to move forward with adoption of the plan a commitment will need to be made to keep the plan current. Mark Cook requested direction on setting a public hearing at the June 1, 2021 agenda for consideration of adoption on June 15, 2021. Discussion was held. Staff was directed to move forward with setting a public hearing at the June 1, 2021 agenda session.

PRIVATE ROAD CERTIFICATION LIST

Mark Cook presented historical background on private road certifications and that the staff report references the 2005 road standards which should reflect the 2004 road standards. Mark Cook continued that after a recent conversation with a representative for the local Realtors it was discovered the requirement for road certifications was not known. Mark Cook added that staff was able to compile a list for publishing on the county website for the Realtor community and public to access to confirm if a certification was completed. Commissioner Cory Wright thanked staff for the quick turnaround on getting the listing completed.

Meeting adjourned at 1:40 pm.
