SPECIAL MEETING MOUNTAINS TO SOUND GREENWAY COMMISSIONERS

At 9:00 a.m. Chairman Osiadacz called the Special meeting to order to hear a presentation from Mountains to Sound Greenway and initiated introductions.

Jon Hoekstra presented a slide show for the Board regarding the National Heritage Area Plan from Ellensburg to the Sound. The Plan is in the final stages before final approval, and they are hopeful to have approval by March 2022. The plan includes 10 chapters and focuses on 4 core themes: forest, salmon, origins/arrivals, and Snoqualmie Pass.

The Commissioners were able to ask questions from the group throughout the presentation. Mr. Hoekstra asked some questions of the Commissioners, but they were not ready to make any decisions until they had a full Board present.

Once the final draft of the plan is ready for submittal, it will be shared with the Commissioners for their review.

Meeting adjourned at 10:01 a.m.
