**COMMISSIONERS**

At 10:00 a.m. Chairman Osiadacz called a Special Meeting to order to discuss Board commitments and individual conflicts with Board meetings.

The Board discussed how each one of them have various individual meetings outside of the office, and how it was important to have a presence at them while realizing there may be an occasional conflict with a Commissioner meeting. Commissioner Wright said over the years a lot has changed where Commissioners have an increase of outside representation on groups and it's important to be at those meetings.

All three Board members agreed that if one of them has a conflict with a Board meeting, that it's alright to move forward as long as there's a quorum. They felt it was important to have someone advocating for Kittitas County at those outside commitments and meetings.

Meeting adjourned at 10:16 a.m.
