Receipt #:

**RENEWAL ON-SITE SEWAGE INSTALLATION PERMIT APPLICATION**

**A renewed permit expires 1 year from the month of issuance and cannot be renewed again.** Any new development plans and resulting sewage system design changes can, with Environmental Health Staff approval, be incorporated at the time of permit renewal.

**Please be advised that the Environmental Health Staff is not obligated to renew an Installation Permit in the event of:**

- 1) Significant changes in site development plans for which the permit was initially issued.
- 2) Discovery of false, incomplete, or misleading information presented in the initial application for the Permit.
- 3) Establishment of new regulations governing, or related to, on-site sewage systems.

It is the responsibility of the requesting party to have established boundary lines before any work is conducted on the parcel.
