

Kittitas County Auditor

Kittitas County Sheriff

June 3, 2010

The Kittitas County Sheriff and the Kittitas County Auditor would like to remind all vessel owners that vessel licenses expire June 30<sup>th</sup>.

The Washington State Department of Licensing recently announced regular renewal notices for vessels will not be mailed to vessel owners. The Department mailed postcard reminders to all vessel owners which replace the familiar paper vessel renewal notice. Unfortunately, the postcard does not list any of the pertinent information that you need to license your vessel.

There are two ways to renew your vessel licenses. There is an online renewal process at [www.dol.wa.gov](http://www.dol.wa.gov) or visit the Kittitas County Auditor's office at the Courthouse in Ellensburg or Gary Guzzie Insurance in Cle Elum. If you provide the Department of Licensing your email address they will send you a renewal via email. You can provide your email address on line at the same website.

The Kittitas County Sheriff's office has been and will continue to provide this information when contacting vessel owners at several sites around the county.
