Also Present: David Taylor and Allison Kimball

Wednesday Staff Meeting

David Taylor informed the Board that the department would be closed for 1 hour on Wednesday mornings for staff meeting. The meetings would be divided so that the whole department would only be involved once a month and the other weeks would be just building or planning staff involved.

2SHB 1336

Taylor reported that there was nothing new on this legislation.

Wetland White Paper

The Board approved the White Paper as written.

Animal Dumping

Taylor reported on the process so far to clean up the animal dumping at the end of Sam Kayser's road. The Board directed him to call and follow up with Kayser and Patti Johnson, Solid Waste Director. He was also directed to coordinate with Johnson regarding funding.

CDS Staffing

Taylor was directed to expire plans if information requested was not submitted within 60 days.

Investigation Report

Taylor gave the Board a written report on the investigation of the Sunday phone calls (attached).

Foundation Only Agreement

Taylor showed the Board the form devised for this agreement and some discussion resulted regarding foundation only permits.
