Washington Surveying and Rating Bureau Survey

David Taylor presented the survey sent to the Department and asked if the Board wished him to take the time to complete this survey of building codes for insurance ratings. He said that he wasn't aware of any requirements to complete the survey.

The Board said to get more research on this survey and complete it if the research indicated that he should.

BOCC questions and concerns

The Board said that Paul Bennett, DPW Director proposed a meeting on the Ridgeway short plats. Taylor said that Jim Hurson, Dep. Prosecutor didn't want to pursue an injunction. He also said that John Wolpers, Environmental Health Director, had allowed individual wells at first but then changed to public Group B Wells.

The Board asked for a White Paper on Watershed Planning.

There was some discussion of HB1113 proposed by Rep. Hinkle and the water purveyor's bill which would allow joint board of control of the KRD.

The Board asked if the Yakama Nation was interested in Wilson Creek.
