Study Session
June 23, 2003

Those Present: Bruce Coe, Perry Huston and Max Golladay

Also Present: David Taylor and Allison Kimball

Pole Barn Master Plan

David Taylor discussed with the Board the possible use of a master plan for pole barns. Master plans have been historically used for pole barns. The discussion was tabled for further discussion at a later date.

Recreational Advisory Committee

Taylor discussed with the Board the creation of a Recreational Plan. This would have to be part of the Comprehensive Plan annual amendment process.

BOCC questions and concerns

The following subjects were discussed: Stormwater, Utilities, No veto on SB 1336 and Shorelines.
