Board Direction: **No Board Direction**

LAPTOP COMPUTER ORDER: Director Drexler stated that we would like to purchase three new laptop computers. There were only two budgeted, but we found out that one of our existing laptops is too old to interface with the diagnostic equipment at the shop. The other two were budgeted but still needs approval from the BOCC for the license'.

Board Direction: **BOCC approved the additional laptops and Commissioner Crankovich signed a memo to confirm.**

FOWLER CREEK ROAD: Pat Deneen was present to get direction on the work to be done to improve the site distance on the corner on Fowler Creek Road. Since it is more than 500 cubic yards a SEPA will need to be done. Pat wanted to know who will take the lead on this. BOCC stated that Pat will do the SEPA and Kittitas County will be the lead agency.

Meeting adjourned at 1:45 p.m.
