**COMMISSIONERS**

The Kittitas County Board of Commissioners received two Outdoor Music Festival Permit applications from Suncadia on June 21, 2007. One was for a Hootie and the Blowfish concert to be held on July 21, 2007 and another for the John Corbett Band to be held on August 11, 2007. They had provided all necessary documentation and it had been routed to the following departments for their review: Public Works, Auditor, Fire Marshall, Community Development Services, Public Health, Prosecutor, Sheriff, Treasurer and Solid Waste Department. All departments had signed off giving their approval with the exception of the Public Health Department, stating they had satisfied their requirements for the two events. (Immediately upon completion of the special meeting, the Public Health Director provided her signature stating Suncadia had satisfied their requirements for the events).

Karen Porter, Suncadia Events Coordinator, gave an overview of the two events and information relating to access, security, transportation, heat management, food and beverage sales, and site plan.

Commissioner Bowen felt Suncadia's request for the two events were well prepared. Chairman Crankovich thought Suncadia had taken the necessary steps to ensure everything has been taken care of.

The Board agreed to grant Suncadia's request to hold the Outdoor Music Festival Events on July 21, 2007 and August 11, 2007.

Meeting adjourned at 10:28 a.m.
