REGULAR MEETING

DEPARTMENT HEAD

TREASURER

Deanna Panattoni, County Treasurer requested direction from the Board regarding Lead Pencil Studios request to purchase a Tax Title Property and whether or not the Board was interested in ordering a Title Report. She also questioned if a report was desired who would pay for it. She indicated that she has relayed to the potential buyer that it's a buyer beware/do your own research purchase.

The Board indicated that they felt the buyer should pay for the report if it's requested. However, they requested that Ms. Panattoni get an opinion from the Prosecutors Office for them to officially say if the County should purchase a report as well.

Ms. Panattoni requested permission to purchase a cell phone. She explained that she is currently using her personal phone to do business and its setting her up for potential PDR problems. She indicated that she would have to do a budget adjustment in order to pay for it and that she would look into the current options the County has between the BoCC, Sheriff's and other County departments that have work cell phones.

The Board approved her request to purchase a cell phone with funds from her budget.
