REDISTRICTING

COMMISSIONERS

At 1:00 p.m. Commissioner Paul Jewell opened a Special Meeting to discuss options of redistricting and the precinct boundaries within Kittitas County.

Jason Eklund, GIS Analyst, reviewed various changes to district boundaries, as directed by the Board. The Board of County Commissioners looked at the number of voters in each district, their location and how changes to those boundaries could make them more equal.

At the conclusion of the meeting, the Board was able to get within 10 voters of being equal within the districts. Jason Eklund said he would get a map prepared along with a spreadsheet for the Board to review once he has finished it.

The meeting was adjourned at 2:25 p.m.
