I have now reviewed the insurance certificate and endorsement. Both look satisfactory, so I can now recommend approval.

Have a great weekend!

The insurance certificate looks good.

The endorsement is a new requirement this year. I've attached an example of the type of insurance endorsement I want to see from your insurance company. Your insurance company may use a form that is slightly different, but it will be somewhat similar. If you ask your insurance company for an "additional insured endorsement" listing Kittitas County as an additional insured, they should know what you are asking about.

Let me know if you have any other questions about this.

Thank you! I will let Deputy Horner explain the Endorsements. This is new this year, and will be required from this point on.

Chris, please let Karen know what is needed with the endorsement requirement.

Thank you both!

Here is a corrected Certificate of Insurance. What is the "Endorsement" that we need? I am not sure that we have had it in the past.

Thank you,

Hi Mandy,

I am still unable to recommend approval, for two reasons: 1) the policy expiration is listed on the certificate of insurance as 5/23/17, which is well before the event date of 6/11/17; and 2) no endorsement has yet been provided.

Thanks!

Chris
