

KITTITAS COUNTY, WASHINGTON

COMPREHENSIVE EMERGENCY MANAGEMENT PLAN

EMERGENCY SUPPORT FUNCTION 10

**** HAZARDOUS MATERIALS ****

APPROVAL & IMPLEMENTATION

The Kittitas County Local Emergency Planning Committee (LEPC) developed the Kittitas County Hazardous Materials Emergency Response Plan or Emergency Support Function #10 (The Plan) to implement hazardous materials emergency preparedness responsibilities. The Plan details primary agencies, support agencies, purpose, policy, authority, limitations, direction/control, functions, and responsibilities to ensure a mutual understanding and a coordinated plan of action is implemented with appropriate agencies within Kittitas County.

The Kittitas County Board of County Commissioners directs each office, department, and agency to study The Plan and prepare or updated as needed a supporting plan to be implemented in the event of a hazardous material event.

The Board of County Commissioners directs the Kittitas County Emergency Management as the statutorily charged agency, to make preparations to coordinate all response activities. The Director and the highest designee officer of the Kittitas County Emergency Management is responsible for publishing and distributing this plan and will issue changes as required.
