OTHERS PRESENT: Mandy Robinson, BOCC Deputy Clerk; Darryl Piercy, Director of Community Development Services; Greg Zempel, County Prosecutor

TOPIC:	Rodeo Arena
DISCUSSION:	Commissioners indicated that this discussion was set prior to the meeting that would be held at 3:00 today. Matt indicated a much bigger crew would be needed then what he has to do work on the Floor at the rodeo arena. He indicated that getting an engineer to sign off on the plan would be most beneficial and was looking for a way to get this project going prior to Rodeo, he felt that there were a lot of safety issues that had to be addressed and the structure was not up to Code any longer.
ACTION:	Some suggestions that were made were to possibly contract with the Rodeo Board they are not held to the same rules we are and therefore could get the project going sooner. It was suggested that possibly a one week ad for RFQ's and then get an engineer on Board with a contractor. The meeting ran out of time and was continued to June 30 th at 3:00.
