SPECIAL MEETING

SUNCADIA

COMMISSIONERS

At approximately 2:00 p.m. Commissioner Crankovich opened the Special Meeting to meet with Suncadia Representatives to discuss two outdoor music festival requests.

Karen Porter, Director of Events for Suncadia, stated they are requesting outdoor music festival permits for two ticketed events this summer, the Suncadia Jazz Festival on August 2, 2008 and K.T. Tunstall on August 23, 2008. She said typically 500 to 800 people show up but they have 1,500 tickets available for each event. She said they will have medical services on site. They have hired people to help with crowd control in addition to their own security staff. Due to limited parking they have also contracted with the Cle Elum/Roslyn School District to use their parking lot and will provide shuttle service to and from parked vehicles.

Sheriff Dana questioned how many CMS (crowd management services) people would be at the different security locations. Ms. Porter said she had not gotten the numbers from them yet but would contact them and get back to Sheriff Dana in the next day or two.

Commissioner Crankovich asked the various department heads if they had any issues with the permits being granted. Discussion followed and all department heads in attendance stated they had no issues with the outdoor music festival permits being granted.

There was discussion on revising the County Code requirements for outdoor music festival permits.
