**DATE:** October 27, 2008

**TIME:** 10:00 a.m.

**COMMISSIONERS PRESENT:** Commissioner Linda Huber, Chairman Mark McClain, Commissioner Crankovich

**DEPARTMENT:** Auditor

**DEPARTMENT HEAD:** Kim Green on behalf of Jerry Pettit

**OTHERS PRESENT:** Mandy Robinson, Deputy Clerk of the Board

<b>TOPIC:</b>	Waiver to Resolution 96-184
<b>DISCUSSION:</b>	Kim Green presented the BOCC with a letter requesting a waiver to Resolution 96-184. The Resolution refers to County Building Access and usage. She indicated that she is a member of Toastmasters and they are looking for a new meeting facility she was looking to see if the County Commissioners Auditorium would be an option.
<b>ACTION:</b>	<b>The Board declined the request, indicating that they would have to have additional security staff on for meetings that were that early in the morning or that late at night. And right now they could not justify spending the money for something that was not county related with the way the economy is currently.</b>
