DEPARTMENT: Public Health

DEPARTMENT HEAD: Cathy Bambrick

OTHERS PRESENT: Mandy Robinson, Deputy Clerk of the Board; Cathy Bambrick, Public Health Administrator

TOPIC:	Applying for DOE & EPA grants- Needing permission
DISCUSSION:	<p>Cathy indicated that she needed the Boards approval to apply for two grants. She indicated that she has applied for them in the past but wants to get permission to apply again. She explained that the first grant is for DOE to do a Septic System Replacement for low-income residents.</p> <p>Cathy indicated that the other grant is with EPA for the Wilson Creek Sub-basin grant and there are no matching funds. She explained that the Wilson Creek is one of the dirtiest in the state and the wells need different attention.</p>
ACTION:	<p>Commissioner McClain moved to approve the Public Health Departments request to apply for funds from DOE to assist in low-income septic system replacement. Commissioner Jewell seconded. Motion carried 3-0. Discussion to the motion: Chairman Crankovich questioned if the grant is needed do we want to limit to only low-income? He felt that people should not be punished for the ability to afford replacements.</p> <p>Commissioner McClain moved to approve the Public Health Departments request to apply for funds from the EPA noting there are no matching funds. Commissioner Jewell seconded. Motion carried 3-0.</p>
