DEPARTMENT HEAD: Duke Senter

OTHERS PRESENT: Mandy Robinson, Deputy Clerk of the Board

TOPIC:	City of Kittitas Police MDC Situation

He said they indicated they are currently a 30-day turn around and the City would like to work with the County for services and pay the same amount. He explained that the contract they carry with them is roughly \$150.00 a month and they had just received a grant for some new equipment.</p> <p>Duke indicated that his department at this point is just about spread as thin as they can be. However, he is willing to take the task on if the BOCC wants them to. He felt it would be better if they charged the City for time and materials not a flat fee.</p> <p>There was concern over if we open up our services to the City of Kittitas that will open us up to the other local municipalities. Duke felt if we got to that if would possibly pay to fill is vacant position (Network Administrator) at some point.</p> <p>Duke also indicated that there is a chance the County service and turnaround time may be decreased if the additional responsibilities are taken on.</p>
ACTION:	The BOCC gave Duke permission to discuss with the City of Kittitas and find out if they can afford to work with the County and pay time and materials in a contract.
