**DATE:** May 4, 2009

**TIME:** 9:50 a.m.

**COMMISSIONERS PRESENT:** Chairman Alan Crankovich; Vice Chairman Paul Jewell

**DEPARTMENT:** Maintenance

**DEPARTMENT HEAD:** Michael Carpenter

**OTHERS PRESENT:** Mandy Robinson, Deputy Clerk of the Board

<b>TOPIC:</b>	Waste Management Dumpsters at Ct House
<b>DISCUSSION:</b>	Michael indicated this was just an FYI meeting but wanted to let the Board know that since he had made some significant cuts in cost with the Waste Management Bill the County is now being charged \$12.18 for every time they have a driver get out of the vehicle and load our garbage. He indicated that he and Brenda (bookkeeper) had called for explanation and they were informed that they had previously not been billed out of courtesy but will be now. He indicated that he felt it was being done since he had cut expenses significantly. He asked the Board if there was any action they wanted him to take at this time. He also proposed some different options for eliminating our business with Waste Management completely once our contract is expired.
<b>ACTION:</b>	The Board thanked Michael for the update and expressed their frustration over the matter. They indicated that the cost cuts he made were significant and they appreciated the work he did on that.
