

BOARD OF COUNTY COMMISSIONERS DEPARTMENT HEAD MEETING MINUTES

DATE: June 1, 2009

TIME: 9:40 a.m.

COMMISSIONERS PRESENT: Chairman Alan Crankovich; Vice Chairman Paul Jewell;
Commissioner Mark McClain

DEPARTMENT: Prosecutor

DEPARTMENT HEAD: Greg Zempel

OTHERS PRESENT: Mandy Robinson, Deputy Clerk of the Board; Joe Whalen, HR Director

TOPIC:	Posting Crime Victim Specialist Position
DISCUSSION:	Greg requested to post the Crime Victim Specialist position. He indicated that he had met with HR and that they would bring the request forward to the BoCC. It was determined at the HR Study Session that the Prosecutors were not up to date in their staff evaluations and at that time, the request was declined. Greg indicated that he was curious why that request was declined and questioned policy. Greg provided copies of all evaluations done and indicated that two were outstanding because those employees wanted to meet and discuss them with Greg. The Board indicated they needed a written letter from the current Crime Victim Specialist reflecting his intent to resign. There was discussion over policy and what is required and when.
ACTION:	The Board indicated that once the letter of resignation is received, HR has permission to post the position.
