

BOARD OF COUNTY COMMISSIONERS DEPARTMENT HEAD MEETING MINUTES

DATE: July 13, 2009

TIME: 9:50 a.m.

COMMISSIONERS PRESENT: Chairman Alan Crankovich; Vice Chairman Paul Jewell;
Commissioner Mark McClain

DEPARTMENT: Lower District Court

DEPARTMENT HEAD: Christine Luvera

OTHERS PRESENT: Mandy Robinson, Deputy Clerk of the Board

TOPIC:	Jury & Witness fees budget line request for increase
DISCUSSION:	Christine indicated that the budget line for Jury and Witness fees is getting low. She reviewed that in 2008, they had ten jury trials for the entire year and for 2009 they are currently at nine. She indicated that what is left over in that budget line is approximately \$657.00. She reviewed previous expenses for the past five years and explained that the request comes today as they are unsure how to proceed given that they do not know how many more trials will actually go forward to jury trial. She questioned if she should be bringing this request forward now or once the budget line is official in the red.
ACTION:	The Board directed Ms. Luvera to let Judy Pless know about the current budget line status and ask her to put this discussion on for the Thursday 7-16-09 Finance Meeting.
