JUVENILE

William Holmes, Probation Services Director requested permission to fill the Work Crew Supervisor position in his office. He explained the position was budgeted for and is grant funded.

The Board approved Mr. Holmes request to post for the Work Crew Supervisor.

Mr. Holmes also reviewed some other topics for the Board information. He explained that a letter had come from the State of Washington Higher Education Coordinating Board regarding the State Work Study (SWS) program for the contract year 2010-2011. He said that last year, Commissioner Jewell signed this agreement and that this year they wanted the Contract renewed on-line. Mr. Holmes wanted to check on how the Board would like to review and renew this contract. The Board indicated they would still like a hard document to review and consider. Mr. Holmes indicated that the other item he wanted to give the Board a heads up on was the JPC Credentials and some changes that are in the works. He explained that he had already paid for four hours of training that the necessary employees needed to have. The Board thanked Mr. Holmes for the update.
