MAY 24, 2010

Board members present: Chairman Mark McClain, Vice-Chairman Paul Jewell, and Commissioner Alan Crankovich.

REGULAR MEETING

DEPARTMENT HEAD

PUBLIC HEALTH

Cathy Bambrick, Public Health Administrator provided the Board with a spreadsheet outlining options for the Health Promotion wage scale. She explained that the positions listed within the spreadsheet were all grant funded, so there would be no real budget impact, but it would allow for wage growth for the future. She reviewed the changes that have taken place regarding the structure in her office since she has taken on the Director position. She reviewed her preference for what wage scenario she would like to see the Board adopt and indicated that HR has suggested accepting scenario number three.

The Board asked that this discussion be placed on the HR study session for discussion on Tuesday May 25, 2010 at 10:00 a.m. in the Commissioners Conference Room, to allow them time to review.

Meeting adjourned at 9:50 a.m.
