REGULAR MEETING

DEPARTMENT HEAD

PUBLIC HEALTH

Cathy Bambrick, Public Health Administrator requested to fill the vacant Public Health RN II position. She indicated that she was going to originally come forward to ask to post it internally but after discussions with HR she explained it was suggested to propose a re-class. Lisa Young, HR Manager explained that since the employee that could fill the vacant position currently holds a part-time position that is grant funded with the County, and therefore she cannot hold two positions.

The Board directed Ms. Bambrick to let the Grant position funding run out and once the project is done, do a re-class to the PH RN II.

Meeting adjourned at 9:50 a.m.
