REGULAR MEETING

DEPARTMENT HEAD

DPW / CDS

Kirk Holmes, Public Works Director/Interim Community Development Services Director stated that the temporary Building inspector he was authorized to hire has obtained fulltime employment with the City of Richland. Mr. Holmes explained that he contacted another previous employee to see if they would be interested in the temporary position, but they were unavailable. He questioned if he should post for a temporary inspector even though there is potential for it to go full time as they have added an inspector into the 2011 budget for consideration.

The Board questioned the possibility of using other agencies. Mr. Holmes indicated that he has approached the City of Ellensburg but was under the impression they were not interested.

The Board authorized the posting of a temporary Building Inspector, with the anticipation of the position ending in November.
