

Kittitas County Solid Waste, Fair & Maintenance Study Session

October 14th, 2010 – 10:00 a.m.

Maintenance

Jeep Liberty Transfer from Public Health: Still working on transferring Jeep Liberty from Public Health to maintenance.

Board Direction: Okay to transfer if they do not need it. Send an e-mail to Linda Navarre , James Rivard and Mark McClain to touch base and start the process.

Armory Update: Met with the Architects, they are coming back on the 20th. Sheriff's Dept. approached Matt looking for storage for their boat. Possibly a pole barn on fairgrounds, partially paid from a grant.

Board Direction: Boat storage – no.

2011 Budget Project List:

Concrete Water Street Ramp - No, keep repairing as needed, resurface next time with marine grade plywood.

Crack in Bloom – Yes, have it looked at:

Blinds in offices – No

HVAC Assessors/Treasurers – Pass for now, wait to asses after jail pod is up.

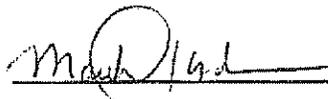

Boiler removal from basement – Pass

Hot Water Tank – Yes, check on a demand hot water system.

Replacement lights & ballast – Yes, check on recovery cost.

Painting – Okay

Carpeting - No

Matthew Anderson, Facilities Maintenance Director
