DEPARTMENT HEAD

FIRE MARSHAL

Brenda Larsen, County Fire Marshal indicated that there were some unfunded mandates coming to the County that would be implemented in 2011. She briefly reviewed them and said that the NFPA-1033 would be changing and there were also new SCBA requirements. She explained that they will have substantial financial impacts and would require a great deal of training.

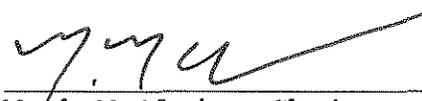

Discussion was briefly held regarding the option to contract out for some of the new standards that will be mandated in 2011. The Board felt that this conversation should be held during the budget meetings that will be held throughout the next month.

Meeting adjourned at 10:00 a.m.
