Ms. Young explained that she had been asked to come before the Board to recap the budget process discussions that will go on with the different County Unions. She indicated that currently a meeting with Commissioner Jewell will take place, but they would like to extend the offer to the other BoCC members and see if they wanted to attend as well.

They discussed what type of ideas they are preparing for that the Unions will bring forward and suggest. They also discussed if there were any message the Board wanted relayed to the Unions.

Commissioner McClain and Crankovich both declined the offer to meet with Commissioner Jewell and Director Young when they meet with the Unions, but thanked them for the opportunity.

Meeting adjourned at 10:00 a.m.
