REGULAR MEETING

DEPARTMENT HEAD

SHERIFF

Undersheriff Myers provided a map to show the Vantage Boat Launch area which also reflects what entities own property down there. He explained that they have been tasked with finding boat storage in Vantage. He addressed concerns regarding the cost to hook up power for a "storage" location in Vantage along with concerns of vandalism. He explained that he had spoke to the Fire Chief of District #4 and found out that they are working towards rebuilding. He questioned if they would be interested in partnering with the County to share a space however, they were unsure if they would be ready at the same time as the County is. Undersheriff Myers explained that he is looking for permission to move forward.

There was discussion of working with Public Works and also to possibly partner with Washington State Department Of Transportation. Discussion on the level of camera security and lighting needs were discussed as well as a brief discussion on land ownership. Undersheriff Myers indicated that he thinks there may be dedicated funding for Marine patrol which could pay for the storage location.

The Board authorized the Sheriff's Department to continue in talks with suggested agencies and to keep them updated.

Meeting adjourned at 10:00 a.m.
