CITIZEN COMMENTS ON NON-AGENDA ITEMS

John Jensen presented the Board with a letter that he planned to read into the record. He indicated that he was speaking on the Easton Ridge CUP Application CU-09-00003. He expressed his on-going frustration with the County not revoking the ERLC CUP. He stated that he has presented information numerous times on this issue, as well as submitted written requests for an explanation as to why CDS will accept an incomplete CUP Application and forward it to the BOA in spite of comments received by the public. He questioned why the BOA would approve a CUP application with a misleading and or fraudulent SEPA Check List even when that information has been brought out in the public comment process. He indicated that he has previously asked if there is a County Code or GPO that would allow a 350 unit mini-storage to be approved in an identified wildlife migration corridor. He noted that as of today he has yet to receive any communication from the County in response to his questions, and asked that the Board either revoke CU-09-00003 per Kittitas County Code 17.60A-100 or respond to him in writing the County's reason for denying his request.

BOARD DISCUSSION/DECISION ITEMS

INVITATION

CITY OF ELLENSBURG

COMMISSIONERS

Commissioner Jewell recapped the discussion that was held during the Agenda Study Session from Monday April 18, 2011. He explained that the City of Ellensburg has extended an invitation to the County, along with the local Chamber of Commerce and other municipalities to participate in a tourism promotion and marketing plan. He explained that the Ellensburg City Council has approved \$50,000 from their lodging tax fund for an update of tourism promotion and marketing plan. In order for Kittitas County to participate and benefit from the marketing plan they would need to approve \$50,000 to spend on this plan. He suggested that the letter be presented to the County Lodging Tax Advisory Committee to make a recommendation on whether or not to release funds for this project. Commissioner O'Brien moved to have the Kittitas County Lodging Tax Advisory Committee review the request and make a recommendation to the Board on whether to release funds or not for the tourism promotion and marketing plan.
