At 2:00 p.m. Chairman Paul Jewell opened a special meeting to discuss the Yakima Basin Storage Alliance.

Sid Morrison, Chairman of the Yakima Basis Storage Alliance, reviewed changes recently made and said they are embarking on a new approach to getting water to the Yakima Basin for fish, people and jobs. They wanted to emphasize how their effort was not in conflict with the purposes of the Integrated Work Plan being advanced with their help by the Department of Ecology and the Bureau of Reclamation rather, it is consistent with that approach. The Board asked questions of Mr. Morrison relating to their project.

Mr. Morrison was appreciative of the continued support received from Kittitas County and requested a financial pledge from the Board in the amount of \$2,000.00 for future work. Chairman Jewell said he the Board of County Commissioners would consider their request at a later date and thanked them for their update.

The meeting was adjourned at 3:15 p.m.
