Kittitas County Solid Waste, Fair & Maintenance Study Session

September 8, 2011 – 10:00 a.m.

Those Present:

Obie O'Brien Paul Jewell Patti Johnson
Matthew Anderson Brenda Barker Lisa Lawrence

Maintenance Projects: Patti Johnson

Jail Pod: Jail siding color needs to be picked out. It is a lap metal siding. Discussion on keeping to similar color to rest of CH and whether to have coping the same color or contrasting color. Paul likes the same, Obie likes contrast.

Board Direction: Parchment was color decided and keep coping the same color.

Jail Mechanical: Jail rec area update, still working out issues with flooring and door dragging creating bubbling. Still under warranty.

Armory: We have the boundary line update and it is ready to go out to bid. Permit is ready to be picked up.

Maintenance: Matt Anderson

Parking Lot: Most bumpers are out with 5 left. Had 2 claims for destroyed vehicle bumpers when rebar worked its way out and the bumpers caught.

Board Direction: Finish removing all bumpers. Will make it easier for snow removal.

Other: Ken retiring in October, will fill the position, Tammy interested in moving into Ken's position and a Event Center Staff interested in applying for the open spot.

Parking lot needs a little work on Water and 6th.

Airport issues turned over to Kelly.

Kittitas County Solid Waste, Fair & Maintenance Study Session

September 8, 2011 – 10:00 a.m.

FAIR/EVENT CENTER

Fair: Daily numbers from gate, parking and concessions are up. Had 2 incidents, a kid bumped against wall had some bruises, and a horse bumped an adult who needed stitches. The Flash Mob went well and had desired result. Weather was good and overall was an excellent event with good entertainment.

Event Center: Have the WA State High School Rodeo going on this weekend. This was rescheduled from the cancellations in May due to the horse virus.

Other: Some discussion on opening up the creek through the fairgrounds. There may be grants available to pay for this.
