SPECIAL MEETING

TRAVEL AUTHORIZATION

SHERIFF

At 1:00 p.m. Chairman Jewell opened a Special Meeting to consider a Travel Authorization request from the Sheriff's department.

Bob Gubser, Commander presented the Board with a Travel Authorization for Detective Brent Severson. He stated that the travel was to take place from October 18, 2011 - October 20, 2011 in Jacksonville, Florida. He explained the purpose of the training was a "train the trainer" for boating under the influence. He indicated that this was a transition course to re-up Detective Severson's credentials for the teaching of this course throughout the State of Washington. He noted that there was absolutely no cost to the County, as the Washington State Parks and Recreation Commission pays for the travel and per diem costs, at current state rates. He stated that it is an 8-10 hour course for current instructors who have previously completed the National Association of State Boating Law Administrators (NASBLA) Boating Under the Influence train-the-trainer course, noting that by Mr. Severson receiving this training the County agrees to make him available to instruct the state course, titled Vessel Operator Under the Influence Training - CJTC 6650, in both 2011 & 2012.

Commissioner O'Brien moved to approve the Travel Authorization as presented. Commissioner Jewell seconded. Motion carried 2-0 (Crankovich excused).

OTHER BUSINESS-

Commander Gubser updated the Board on the recent research he has obtained through his contacts regarding the comparison of the proposed Kittitas County Maintenance Agreement with CAMTEK and other agencies.

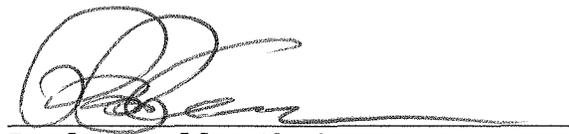

Staff was directed to schedule a future meeting to further discuss the Maintenance Agreement.

The meeting adjourned at 1:30 p.m.
