REGULAR MEETING

DEPARTMENT HEAD

AUDITOR

At 9:50 a.m. Sue Higginbotham, Administrative Assistant III, presented to the Board a map to view. She explained that the map was showing what the Board had determined they would like to see moved forward stemming from the redistricting discussions that had taken place over the past few months. She also presented a map to reflect what the Auditor's office is proposing instead. She explained that they have run into issues with the Boards proposed redistricting plan. She explained that some of the issues had to do with not having the city and county in the same precinct. There was discussion on the Auditor's office proposal. Commissioner Jewell indicated that he needed to see a map reflecting the changes. He noted he would like to try to keep the redistricting as close as possible to what the Board had originally agreed upon. Jerry Pettit, Auditor indicated that at the November 1, 2011 Agenda they will request to set a Public Hearing for November 15, 2011, and that it was their hope to have all of the discussion to clean the proposal up prior to that hearing.

Meeting adjourned at 10:04 a.m.
