REGULAR MEETING

DEPARTMENT HEAD

CDS

At 9:41 a.m. Mandy Weed, Administrative Assistant presented a Travel Authorization request for her to attend the Tyler Connect 2012 (EDEN) Conference in Grapevine, Texas. She indicated that she was informed after a request that came before the Board last week, that Commissioner Jewell suggested she be considered for the training as well.

The Board discussed the benefit of having more than one employee attend the training.

Commissioner Crankovich questioned where the funding would be coming from for Ms. Weed to attend the training. Mandy Weed explained that they can do a transfer from the Public Works Interfund to pay for the training. She explained that with Doc being on board now, and Director Kirk Holmes stipend being reduced there is funding left over in that budget line.

The Board approved the Travel Authorization as presented for Ms. Mandy Weed, Administrative Assistant to attend the 2012 Tyler Connect Conference in Grapevine Texas from 4/10/2012 - 4/13/2012, noting lodging would be a shared room with the Public Works employee that is attending.

Meeting adjourned at 9:51 a.m.
