REGULAR MEETING

DEPARTMENT HEAD

HUMAN RESOURCES

At 9:50 a.m. Lisa Young, HR Director requested to permission to advertise the vacancy for the System Administrator I position in (IS). Jim Goeben, Interim (IS) Director explained that he would like to advertise for a System Administrator II and reviewed the impacts anticipated in the department. He explained that there is a fair amount of history and knowledge leaving with the recent departure and there will be a lot expected out of the position, and having a higher level of experience would be extremely helpful rather than a position they still have to train up.

Lisa Young, HR Director explained that there is no additional cost to the County to advertise for one or two.

The Board authorized posting for both a System Administrator I and System Administrator II, to see what kind of an applicant pool is received. The Board directed staff to schedule a follow up meeting for this week (February 6, 2012) to further discuss the needs of the (IS) Department since they ran out of time with the discussion.

Meeting adjourned at 9:50 a.m.
