REGULAR MEETING

DEPARTMENT HEAD

ASSESSOR

At 10:00 a.m. Marsha Weyand reviewed the Annual Revaluation Grant Program and what her intended submissions would be if she is approved to apply for the grant. She indicated that she would be submitting reimbursement for software maintenance costs from 2010-2012, as well as for a publisher license. She indicated that there was a full list available in her office but those were the two top submissions.

There was discussion on T-2 software and whether or not the State would pay for those updates.

Commissioner Jewell questioned what Ms. Weyand still needed in order to be ready for the County to do annual property evaluations.

The Board strongly encouraged Ms. Weyand to find a way to submit for the T-2 software upgrades. Commissioner Jewell questioned if there had been any consideration to having the Appraisers test I-Pad's or Tablets vs. the Toughbook's they currently use. He explained that there may be substantial savings in their software budget if they were to move that direction.

The Board directed Ms. Weyand to place the Grant on a future Agenda Session once she was ready for it to be signed.

Meeting adjourned at 10:20 a.m.
