REGULAR MEETING

DEPARTMENT HEAD

EVENT CENTER

Matt Anderson, Facilities Maintenance Director requested permission to apply for a trust fund loan from Public Works. He stated that they offer very low interest loans for public work projects and he would like to apply for one in order to get funding for the stormwater infiltration system at the fairgrounds. He indicated that funding becomes available on July 2013 and the deadline to apply is May 11, 2012. He noted he would be applying for \$200,000.00.

Patti Johnson, Solid Waste Director/Project Manager stated that she has encouraged Mr. Anderson to apply for \$250,000.00 to be safe, and if the full funding isn't used it can go back to the loan distributor (Public Works fund). She explained that it works like a construction loan and pull funding as needed.

The Board approved Mr. Anderson to apply for \$250,000.00 dollars for the stormwater infiltration system at the fairgrounds, from the Public Works trust fund.

Meeting adjourned at 10:00 a.m.
