REGULAR MEETING

DEPARTMENT HEAD

EVENT CENTER

Sara Maes, Program Assistant (KVEC) presented the Commissioners Resolution #2006-64. She requested clarification and/or input on language used in the Resolution specifically "hosts" from the Board with regard to how the Event Center should handle processing requests from employees who are on the County books, on behalf of an organization but the County facility is acting as a host to other counties. She explained that currently they are reserving spaces at no charge for those types of events.

The Board indicated that they would like to see the Event Center continue treating those circumstances the same, noting however that they are to put paying customers first. They indicated that staff should work on an updated Resolution to address that concern.

Meeting adjourned at 10:00 a.m.
