**UPDATE SRM DEVELOPMENT**

**COMMISSIONERS**

At 2:35 p.m. Chairman Crankovich opened a Special Meeting to receive an update from Larry Condon regarding the Pacificlean Composting Facility.

Larry Condon, Business Development with SRM Development LLC presented the Board with blueprints to look over for the proposed site of the composting facility. He indicated that he had a brief update for the Board since it had been a while since he last touched base. He announced that since the last meeting he had with the Board he has been awarded the contract with the City of Seattle. He stated that his company has been doing lots of studies and things seem to be going very well.

A roundtable discussion was held on who could benefit from the use of the renewable waste, and the indication was both private company's and local government could potentially benefit from it. Chairman Crankovich stated that he was not clear how the final product would work and what the cost associated with changing a vehicle over to run off the product would be.

The meeting was adjourned at 3:03 p.m.
