This Regular Meeting was opened at 10:00 a.m. Jim Goeben, IT Director updated the Board on the Armory I-Net Update and stated that the City has ordered the parts with a cost of approximately \$17,000.00 dollars.

He requested the Board acknowledge the County social media archive solution. He requested permission to do a budget amendment to purchase the ArchiveSocial (brand) and explained that it will cost \$100.00 a month and that it can have up to 5 accounts on it. He was directed to work with Judy Pless to see if there was a way to break out by department individual charges instead of IT being billed the full amount, noting that the departments that are having the social media aps would pay for the service.

Chairman O'Brien asked that Mr. Goeben include texting into the current technology policy. Mr. Goeben explained that texting is not considered social media and therefore it's not included. Mr. Goeben was asked to add a line to say that.

Commissioner Berndt moved to authorize Mr. Goeben to purchase ArchiveSocial and bring forward a budget amendment. Chairman O'Brien seconded. Motion carried 2-0 (Commissioner Jewell absent).

Meeting adjourned at 10:10 a.m.
