REGULAR MEETING

DEPARTMENT HEAD

SHERIFF

Clay Myers, Undersheriff provided updates to the Board regarding the desire to vacate 6<sup>th</sup> street, potential future building purchases and an Emergency Management Update. He stated that Operations Commander Darren Higashiyama has been doing an extremely good job in his new position and the transition has been smooth. He explained that he is working closely with Sergeant Panattoni on planning vehicle purchases for 2014, and they have been finding that the former Commander who handled that work had some interesting practices for the car purchase process. There was discussion on the car purchasing for 2014 and Undersheriff Myers indicated that he would have Sergeant Panattoni put together some hard numbers for the Board that will hopefully aide in determining if they should purchase them sooner rather than later.

Undersheriff Myers reviewed upcoming trainings that the Board might be interested in: ICS-300 & ICS-400 as well as a table top exercise for flood mgmt. He asked that the Board request Patti Johnson, Solid Waste Director/Project Manager to further look into the 6<sup>th</sup> street vacation.

Meeting adjourned at 10:30 a.m.
